

Gas Blender Instructor

GAS BLENDER INSTRUCTOR APPLICATION FORM

Only those registered with BSAC HQ as Gas Blender Instructors may teach on the BSAC Gas Blender Courses. The Chief Instructor on any Gas Blender Course must also be qualified as an Advanced Diver.

Requirements for approval:

- Be a current BSAC Member.
- Be qualified as a BSAC Open Water Instructor.
- Have attended a BSAC Gas Blender Course (Nitrox or Mixed Gas) (or equivalent - see Note 3) within the last three years.
- Serve actively and effectively as an Assistant Instructor on a BSAC Gas Blender Course (Nitrox or Mixed Gas) and thus obtain the recommendation of the lead instructor, who must be an Instructor Trainer, for the appropriate course.

Application for Approval:

Name

Address

..... Postcode

Telephone No (home) (work)

BSAC Membership N^o E-mail

Please enclose:

- **Photocopies** of your BSAC Gas Blender certificate (Nitrox or Mixed Gas) (or equivalent) from your qualification record book.
- **Photocopies** of your BSAC Open Water Instructor certificate from your qualification record book.
- **A passport-sized photograph.**
- The Gas Blender Instructor Registration Fee of £20.00, by cheque payable to 'BSAC' - see Note 1.
- If qualified by a Gas Blender training agency other than the BSAC, an additional £25.00 charge for additional training materials - see Note 2.

Note 1: The £20 fee provides you with a Mixed Gas Blender Instructor Pack:-
Course Instructor Notes and CD-ROM, containing all visual aids for the BSAC Mixed Gas Blender course (MS PowerPoint), plus Instructor Registration and Qualification Card.

Note 2: The additional £25 fee (compulsory unless Mixed Gas Blender trained by the BSAC) provides you with the BSAC Mixed Gas Blender Student Manual and calculation software.

Note 3: For full 'Mixed Gas Blender Instructor' approval, the equivalent qualifications issued by other training agencies, used in gaining this approval, must include Trimix blending.

Recommendation:

The above instructor has performed usefully and effectively as an assistant instructor on the following BSAC Gas Blender Course and is recommended for appointment as an Approved Instructor.
