

Access Information

ST Brides beach, Pembrokeshire

Pembrokeshire Coast National Park Authority will be erecting a lockable bollard on the track down to St Brides beach to control vehicular access. A key will be provided to any responsible dive club, free of charge, on production of a launch and recovery risk assessment for public beaches and third party insurance for the activity.

To obtain a key then please contact:

Philip Lees
Senior Ranger West
Pembrokeshire Coast National Park Authority
