

BSAC REBREATHER TRY DIVE STANDARD

Staff

The BSAC rebreather try-dive staffing criterion follows:

1. Be a current BSAC Member
2. Be a current BSAC registered rebreather diver
3. Be a BSAC Open Water Instructor
4. Have a minimum of 25 logged hours on the rebreather unit that the students shall be using

Students

The BSAC Rebreather try-dive session student criterion follows:

- Be a current BSAC member
- Be a qualified BSAC Ocean Diver or higher

Student Ratio

Maximum student to instructor ratio of 2:1

Equipment

The rebreathers need to be configured within manufacturer's recommendations and comply with BSAC Safe Diving Practices
