

### Recognised Rebreather Training Agencies & Courses.

The training agencies that BSAC recognise for rebreather certification are;

- ? IANTD - International Association of Nitrox & Technical Divers
- ? TDI - Technical Diving International
- ? ANDI - American Nitrox Divers Incorporated
- ? IART - International Association of Rebreather Trainers
- ? PADI - Professional Association of Diving Instructors

The rebreather training courses currently recognised by BSAC are shown in the Table below:

Training Agency	Recognised Courses	Comment
<b>IANTD</b>	Drager Ray SCR Diver	Entry level nitrox
	Drager Dolphin SCR Diver	Entry level nitrox
	Azimuth Nitrox SCR Diver	Entry level nitrox
	Inspiration (Air Diluent) CCR Diver	Entry level nitrox
	Normoxic Inspiration CCR Diver	Intermediate mixed gas
	Trimix Inspiration CCR Diver	Advanced mixed gas
<b>TDI</b>	Drager Ray SCR Diver	Entry level nitrox
	Drager Dolphin SCR Diver	Entry level nitrox
	Azimuth Nitrox SCR Diver	Entry level nitrox
	Inspiration (Air Diluent) CCR Diver	Entry level nitrox
	Inspiration (Mixed Gas Diluent) CCR Diver	Intermediate & Advanced mixed gases
<b>ANDI</b>	Inspiration Closed Circuit Rebreather Diver	Entry level nitrox
	Semi Closed Rebreather Diver {Dolphin / Ray}	Entry level nitrox
	Semi Closed Circuit Explorer {Azimuth}	Entry level nitrox
	Inspiration Technical Rebreather Diver	Intermediate Heliox or advanced nitrox mixes
	Inspiration Closed Circuit Explorer	Advanced Heliox mixes
<b>IART</b>	Inspiration CCR Level 1 Nitrox	Entry level nitrox
	Inspiration CCR Level 2 Extended Range	Advanced level nitrox
	Inspiration CCR Level 3 Trimix	Advanced level mixed gas
	SCR Level 1 Nitrox {Azimuth / Dolphin / Ray}	Entry level nitrox
<b>PADI</b>	Rebreather Diver Specialty (Dolphin SCR)	Entry level nitrox
