BSAC REBREATHING DIVER REGISTRATION

BSAC REBREATHING DIVER REGISTRATION FORM

As the BSAC accepts the training of Rebreather divers from other training agencies (TDI, IANTD, ITDA, ANDI) this registration form can be completed and returned to BSAC HQ to register the BSAC member as an approved Rebreather diver.

On receipt of the completed registration and photocopies as listed below the Rebreather diver will receive a log book endorsement stating they are a BSAC approved Rebreather diver. Details will be held on a Database at HQ and may be used both to send you update information and may be used to consult you as part of this very specialist group
